

## Missing You

Mel Tillis

Missing you, can't help but wish that you  
Were in my arms tonight, making love to me  
Kissing you, that's all I want to do  
It never seems just right now that we are apart

I always spend my time just writing lines to you  
Can't wait for you to write saying you love me too  
Missing you, can't help but wish that you  
Were in my arms tonight, making love to me  
...
