

Missing You

Mel Tillis

Missing you, can't help but wish that you
Were in my arms tonight, making love to me
Kissing you, that's all I want to do
It never seems just right now that we are apart

I always spend my time just writing lines to you
Can't wait for you to write saying you love me too
Missing you, can't help but wish that you
Were in my arms tonight, making love to me
