

# Shame On You Shame On Me

Mel Tillis

Another lie and we're lying here together  
We know it's wrong for stealing love this way  
But even though we're the ones who are guilty  
Oh heaven knows we're not the only ones to blame

Shame on wives when they're not lovers  
Shame on husbands to blind to see  
Shame on that ol' fire inside us  
Shame on you shame on me

Oh looking back at all the lies and secrets  
It breaks our hearts to think of what we've done  
But all this time there's one thing we've been sure of  
We may be wrong but we're not the only one

Shame on wives when they're not lovers  
Shame on husbands to blind to see  
Shame on that ol' fire inside us  
Shame on you shame on me

Shame on wives when they're not lovers  
Shame on husbands to blind to see
