Midnight Swinger

Mel Tormé

Hey Midnight Swinger, how's the world's greatest lover tonight?

Emancipated women's own special delight.
So how can the world's last living Cassonova be alone?
They don't appreciate the fine kind of lovin' you make.
On a scale of 7 you would get a 8.
But you're home by your lonesome most every night.
You watch Johnny Carson till you turn out the light.
He's pretty funny and it looks like you are too...Irresistable
You!!

Hey Midnight Swinger, who's got the heart that you're breaking
tonight?

A center-fold playmate or a movie star type?
So how can the world's new Marcello Mastroianni be so blue?
My, what a long, long wait!
Your geisha girl seems to be late.
Who's gona fan 'ya? Who's gonna peel your grape?
Well, it loks like another bored evening at home.
No loving tonight just instant breakfast alone
If loser's had contests there's no doubt how you'd do...Undefea
table you!
