Sing You Sinners

Mel Tormé

Whenever there's music
The Devil kicks
He don't allow music
By the river Styx

You sinners, drop everything
Let that harmony ring
Up to heaven and sing
Sing, you sinners

Just let that music ring out
Let the Lord hear you shout
Wave your arms all about
Sing, you sinners

Whenever there's music
The Devil kicks
He don't allow music
By the river Styx

You're wicked and you're depraved
And you all misbehave
If you wanna be saved
Sing, you sinners

Whenever there's music
The Devil kicks
He don't allow music
By the river Styx

You're wicked and you're depraved
And you all misbehave
And if you wanna be saved
Sing, you sinners

Whenever there's music
The Devil kicks
