

Whisper Not

Mel Tormé

Sing low, sing clear
Sweet words in my ear
Not a whisper of despair
But love's own prayer

Sing on until
You bring back a thrill
Of a sentimental tune
That died too soon

Our harmony was lost
But you forgave, I forgot
Whisper not of quarrels past
You know we've had our last

So now we'll be
On key constantly
Love will whisper on eternally

~~~♪♪♪ ~~~

Why did we listen when they said it wouldn't last  
Gossiping voices made us break up,  
But you know we still can make up  
If we forget 'em all, and answer Cupid's call  
It's the truth!

Whispers of troubles are an echo of the past  
All it will take to lose my gloom  
Is just a whisper not of rumours  
But of your love for me  
That's how it's got to be

Our harmony was lost  
But you forgave, I forgot  
Whisper not of quarrels past  
You know we've had our last

So now we'll be  
On key constantly  
Love will whisper on, and on , and on eternally, eternally, ete  
rnally

Whispers of troubles are an echo of the past
