

# On The Horizon

Melanie C

**D** **G**  
People see different things  
**C** **D**  
When they look on the horizon  
**G**  
Do you see dark clouds rolling in fast  
**C** **D**  
Cos baby they ain't gonna last

**Emi** **C**  
And I can't see anybody else  
**G** **D**  
I can't stop looking at you  
**Emi** **C** **D**  
Take this dream and make it true

**G** **C**  
All I see is love, sweet love  
**D**  
On the horizon, oh yeah  
**G** **C**  
Just one look in your deep brown eyes  
**D**  
And baby I'm flyin

**G**  
This world could be so hard to take  
**C** **D**  
Before I found you, I almost stopped trying  
**G**  
To see the good instead of the bad  
**C** **D**  
But your hearts so true, that baby I'm cryin

**Emi** **C**  
And every single time we meet  
**G** **D**  
I learn what love is for  
**Emi** **C** **D**  
It's taking less and giving more

**G** **C**  
All I see is love, sweet love  
**D**  
On the horizon, oh yeah  
**G** **C**  
Just one look in your deep brown eyes  
**D**  
And baby I'm flyin

**Emi** **C**  
And baby I don't wanna see pain in your eyes  
**G** **D**  
Cos you're the one that sets me free  
**Emi** **G**  
There's nothing in this world that can hurt us  
**C**

If it's you and me, hey-yeah-yeah
