

# Stupid Game

Melanie C

I'm not gonna live a lie  
Just for your entertainment  
You started this stupid game  
But all the rules have changed again

If I were a stranger  
Would I be safer  
Who do you want me to be, to love, to hurt, to trust?

I'm not gonna fall apart to get your attention  
I know what I want but it's not an addiction  
Wo-o-o-oah I've only got the truth  
Wo-o-o-oah is that enough for you

I see through your empty affection  
I know who I am, I can face my reflection  
Wo-o-o-oah I've only got the truth  
Wo-o-o-oah Wo-o-o-oah

Under the microscope  
See all the imperfections  
You wanna be so close  
To all the dirt and grime but why?

If I were a danger  
Would that amaze ya  
Is that who you want me to be, to love, to hurt, to trust?

I'm not gonna fall apart to get your attention  
I know what I want but it's not an addiction  
Wo-o-o-oah I've only got the truth  
Wo-o-o-oah is that enough for you

I see through your empty affection  
I know who I am, I can face my reflection  
Wo-o-o-oah I've only got the truth  
Wo-o-o-oah Wo-o-o-oah

Wo-o-o-oah  
Wo-o-o-oah

You started this stupid game  
Maybe I'll take some blame  
But I can't take it aaaaall

I'm not gonna fall apart to get your attention  
I know what I want, know what I want  
Wo-o-o-oah I've only got the truth  
Wo-o-o-oah is that enough for you

I see through your empty affection  
I know who I am I can face my reflection  
Wo-o-o-oah I've only got the truth  
Wo-o-o-oah Wo-o-o-oah

Wo-o-o-oah Wo-o-o-oah Wo-o-o-oah  
I've only got the truth
