

Remember U

Melanie Fiona

I can't
Fall back in love again
You broke this simple heart
That used to be for you, my friend!
And I say that you've got some nerve just to come back and say that you're sorry
For what?
You've got some nerve to break what I feel and play me, now you're sorry
For what?

'Cause all I do
All I do is remember you
Remember you, you, you, you!
All I do
All I do is remember you
All that I've been through!

You've got some nerve to be off and thinkin' about me
For what?
You've got some nerve to tell everybody that wrong story
For what?
Maybe one day I'll get it right
I'll be the one, I'll say it tonight!
'Cause I can't continue to fail and let this heart be overwhelmed by you

'Cause baby
'Cause all I do
All I do is remember you
Remember you, you, you, you!
All I do
All I do is remember you
All that I've been through!
Nooo, nooo, nooooooooo...

See, I dreamed
Dreamed that we'd be toge-e-e-e-e-ether!
And when I said it's you and me
You should've thought it would've been fore-e-e-e-e-ever!
Ohhh
Now all I do is cry several tears for you, you, you
And I can't change the redness in my eyes that you seem to put them through!

'Cause all I do
All I do is remember you
Remember you, you, you, you!
And all I do
All I do is remember you
All that I've been through!
