

# Bittersweet Tragedy

Melanie Martinez

Sweet, boy, straight out of the movie screen  
Candy hearts and chocolate dreams  
I, met, my prince upon a popcorn ball  
He held my heart and let it go  
Ice cream, upon a summer's day  
Beginning sweetness never stays

Melting through the cracks in my hands  
I guess I held on for too long

I'm done with your bittersweet, bittersweet tragedy  
It's no fun, when I'm sitting all alone  
You're right in front of me  
And I'm done with your bittersweet, bittersweet tragedy  
It's no fun when I'm sitting all alone  
You're right in front of me (you're right in front of me)

You, speak, sour lemonade to me  
The bitter taste won't let me be  
One, kiss, was supposed to be so sweet  
But I found grapefruit in your teeth  
Old, gum, is all you'll ever be to me  
I spit you out and brush my teeth

Melting through the cracks in my hands  
I guess I held on for too long

I'm done with your bittersweet, bittersweet tragedy  
It's no fun, when I'm sitting all alone  
You're right in front of me  
And I'm done with your bittersweet, bittersweet tragedy  
It's no fun when I'm sitting all alone  
You're right in front of me (you're right in front of me)

Enough of your bittersweet  
Your sugar rots my teeth  
Clogs up my arteries  
Your bittersweet shit is a tragedy

I'm done with your bittersweet, bittersweet tragedy  
It's no fun, when I'm sitting all alone  
You're right in front of me  
And I'm done with you bittersweet, bittersweet tragedy  
It's no fun when I'm sitting all alone  
You're right in front of me (you're right in front of me, you're right in front of me)
