## **Bittersweet Tragedy**

## **Melanie Martinez**

Sweet, boy, straight out of the movie screen Candy hearts and chocolate dreams I, met, my prince upon a popcorn ball He held my heart and let it go Ice cream, upon a summer's day Beginning sweetness never stays

Melting through the cracks in my hands I guess I held on for too long

I'm done with your bittersweet, bittersweet tragedy It's no fun, when I'm sitting all alone You're right in front of me And I'm done with your bittersweet, bittersweet tragedy It's no fun when I'm sitting all alone You're right in front of me (you're right in front of me)

You, speak, sour lemonade to me The bitter taste won't let me be One, kiss, was supposed to be so sweet But I found grapefruit in your teeth Old, gum, is all you'll ever be to me I spit you out and brush my teeth

Melting through the cracks in my hands I guess I held on for too long

I'm done with your bittersweet, bittersweet tragedy It's no fun, when I'm sitting all alone You're right in front of me And I'm done with your bittersweet, bittersweet tragedy It's no fun when I'm sitting all alone You're right in front of me (you're right in front of me)

Enough of your bittersweet Your sugar rots my teeth Clogs up my arteries Your bittersweet shit is a tragedy

I'm done with your bittersweet, bittersweet tragedy It's no fun, when I'm sitting all alone You're right in front of me And I'm done with you bittersweet, bittersweet tragedy It's no fun when I'm sitting all alone You're right in front of me (you're right in front of me, you're righ t in front of me)
