

# LIGHT SHOWER

Melanie Martinez

You are the light, I've been searchin' for forever  
Feels like, man, I've really never felt the rain  
Buried in the desert, didn't think I'd push through the dirt  
You just cleansed me like a waterfall, you came

I'm screamin' like a kettle on the stove  
You crank the heat up, I was cold  
My past grew mold around my heart  
And all my anger, sadness, regret disappeared  
It's madness  
I'm not used to all this water love, it's true  
But you make me want to  
Plan out my last days on earth, eating you  
Ooh-ooh-ooh  
The tips of your teeth fit perfect in me  
You're the shower of light I'd devour any day of the week  
Baby, cleanse me

I was surprised to see heaven in your eyes  
I never once was treated right, you're what I'm missing in my life  
As bright as the sun, give me your vitamin D  
Let's run into another dimension, you make me feel like I'm on drugs

I'm screamin' like a kettle on a stove  
You crank the heat up, I was cold  
My past grew mold around my heart  
And all my anger, sadness, regret disappeared  
It's madness  
I'm not used to all this water love, it's true  
But you make me want to  
Plan out my last days on earth, eating you  
Ooh-ooh-ooh  
The tips of your teeth fit perfect in me  
You're the shower of light I'd devour any day of the week  
Baby, cleanse me

But you make me want to  
Plan out my last days on earth, eating you  
Ooh-ooh-ooh  
The tips of your teeth fit perfect in me  
You're the shower of light I'd devour any day of the week  
Baby, cleanse me
