

Another Line

Melanie

My insanity keeps growing in me
I keep it way down under control
I'm changing my mind, let's do another line

No lover and no baby
Nobody wants a crazy lady
I'm changing my mind, let's try another line
I'm changing my mind, let's do another line

Oh no no, you see now I can't let go of the night
No no, oh no no, you see I can't let go of the night

Oh babe in the woods, lamb among wolves
I got to keep from breaking down
I'm changing my mind, let's try another line
I'm changing my mind, let's do another line

Oh no no, you see I can't let go of the night
No no, oh no no, you see I can't let go of the night

Let's do another line
I'm changing my mind, let's do another line
Let's do another line
