

# Apathy

Melanie

I can't sleep, I can't write  
I can't eat, I can't fight  
This damned old apathy is killing me  
I can't love, I can't hate  
I can't run, I can't wait  
This damned old apathy is killing me

Ooh oh babe, I'm feelin' so damned low  
'Cause I've been waiting around here  
And I can wait anymore  
Ooh honey, you don't treat me nice at all  
You lead me to the edge  
And then you ask me why I fall  
You ask me why I fall

I can't sleep, I can't write  
I can't eat, I can't fight  
This damned old apathy is killing me  
I can't love, I can't hate  
I can't run, I can't wait  
This damned old apathy is killing me

Ooh oh babe, I don't care no more  
I don't remember fighting  
But I feel like I lost the war  
Ooh child, I'm gonna leave you with this song  
If you don't believe I'm leaving  
Count the days I'm gone  
Count the days I'm gone

Who needs this damned old apathy  
It's wearing out my heart and drying out my brain  
Oh set me free from this damned old apathy  
This damned old apathy

I can't laugh, I can't cry  
I can't live and I can't die  
'Cause this damned old apathy is killing me  
I can't end, I can't begin  
I can't lose but I can't win  
'Cause this damned old apathy is killing me

This damned old apathy is killing me  
Ah this damned old apathy is killing me  
This damned old apathy (Who needs apathy?)  
This damned old apathy (Who needs apathy?)
