

Dance To The Music

Melanie

Please, please, give me a break
I broke your poor heart, it was a mistake
Oh girl, you knew all along
If you fool around, you pay for the song

And if you dance to the music
You got to pay the piper
And if your playing with the piper
You got pay for the song

I feel like I'm fallin', I'm losin' it all
You know what loves all about
You figured it wrong, so figure it out

And if you dance to the music
You got to pay the piper
And if your playing with the piper
You got pay for the song

And if you dance to the music
You got to pay the piper
And if your playing with the piper
You got pay for the song

Words from the heart you relied on baby
Love must be moved, not tried on baby
Cry on baby

And if you dance to the music
You got to pay the piper
And if your playing with the piper
You got pay for the song

And if you dance to the music
You got to pay the piper
And if your playing with the piper
You got pay for the song
