

Don't Think Twice, It's Alright

Melanie

Ain't no use to sit and wonder why babe
It don't matter any how
Ain't no use to sit and wonder why babe
If you don't know by now
When the rooster crows at the break of dawn
Look out your window and I'll be gone
Well, you're the reason I'm travelin' on
Don't think twice, it's all right

Ain't no use in turnin' on your light babe
Like I never knowed
Ain't no use in turnin' on your light babe
I'm on the dark side of the road
Still I wish there was somethin' you could do or say
Something to make me change my mind and stay
Well, we never did too much talkin' anyway
Don't think twice, it's all right

Going down this long lonesome road babe
I'm bound for I can't tell
Good-bye's just another word babe
So I'll just say fare thee well
I ain't sayin' that you treated me unkind
You could have done better but I don't mind
You just kinda wasted all my precious time
Don't think twice, it's all right

Ain't no use in callin' out my name babe
Like you never done before
Ain't no use in callin' out my name babe
I can't hear you anymore
Well, I'm thinkin' an' I'm wonderin' a way down the road
I once loved a good man, a child I'm told
Well, I gave him my heart but he wanted my soul
Don't think twice
Don't think twice, I thought
Don't think twice, it's all right

Still I wish there was somethin' you could do or say
Something to make me change my mind and stay
Well, we never did too much talkin' anyway
Don't think twice, it's all right
