

Free the people

Melanie

Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me
Saw your light in yonder window
As I passed by the other day
I was scared, my knees were weak
Forgot what I had come to say
Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me
Saw a man walk on water
Everybody looking on
I didn't know I was His daughter
Till both of us had come and gone
Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me
If you see me in dark ally
Looking like I don't belong
You can put me in your greenest valley
I'll still be singing this same old song
Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me
