Hush-a-bye
Hush-a-bye baby
Hush-a-bye
Don't you cry
Hush-a-bye
Hush-a-bye baby
Hush-a-bye
Don't you cry

After all is said and done
Daddy's a hero
You are a widow's son
And after all the fighting's done
Life will take over
No one will have won, so

Hush-a-bye
Hush-a-bye baby
Hush-a-bye
Don't you cry
Hush-a-bye
Hush-a-bye baby
Hush-a-bye
Don't you cry

And after all the fighting's done
Life will take over
No one will have won
And when this world's gone on to long
Life will take over
There will be more to come, so

Hush-a-bye
Hush-a-bye baby
Hush-a-bye
Don't you cry

Hush-a-bye
Hush-a-bye baby
Hush-a-bye
Hush-a-bye baby bye-bye

Hush-a-bye baby bye-bye
Baby hush-a-bye
Hush-a-bye baby bye-bye
Hush-a-bye baby bye-bye

Hush-a-bye baby bye-bye
Baby hush-a-bye
Hush-a-bye baby bye-bye
Hush-a-bye baby bye-bye

Hush-a-bye baby bye-bye
Baby hush-a-bye
Hush-a-bye baby bye-bye
Hush-a-bye baby bye-bye

Baby bye–bye
Hush–a–bye baby bye–bye
Hush–a–bye baby bye–bye
