

# I Guess That's Why They Call It the Blues

Melanie

Don't wish it away look at it like it's forever  
Between you and me I could honestly say  
That things can only get better  
While I'm away dust out the demons inside  
And it won't be long before you and me run  
To the place in our hearts where we hide

And I guess that's why they call it the blues  
Time on my hands could be time spent with you  
Laughing like children, living like lovers  
Rolling like thunder under the covers  
And I guess that's why they call it the blues

Just stare into space, picture my face in your hands  
Live for each second without hesitation  
And never forget I'm your woman  
Wait on me, cry in the night if it helps  
More than ever I simply love you  
More than I love life itself

And I guess that's why they call it the blues  
Time on my hands could be time spent with you  
Laughing like children, living like lovers  
Rolling like thunder under the covers  
And I guess that's why they call it the blues

I guess that s why they call it the blues  
I guess that s why they call it the blues  
And I guess that s why they call it the blues  
I guess that s why they call it the blues
