

I'll never find another you

Melanie

There's a new world somewhere
They call The Promised Land
And I'll be there some day
If you will hold my hand
I could search the whole world over
Until my life is through
And I know I'll never find another you

There is always someone
For each of us they say
And you'll be my someone
For ever and a day
But if I should lose your love, dear
I don't know what I'd do
Cos I know I'll never find another you

It's a long, long journey
So stay by my side
When I walk through the storm
You'll be my guide, be my guide

If they gave me a fortune
My treasure would be small
I could lose it all tomorrow
And never mind at all
But if I should lose your love, dear
I don't know what I'll do
Cos I know I'll never find another you
I know I'll never find another you
