

Knock On Wood

Melanie

I don't want to lose the good thing that I've got
If I do, I will surely, I will lose a lot
For your love is better than any love other I've known
It's like thunder, lightning, the way you love me is frightening
I better knock on wood, baby

I got superstitious about you but I can't take a change
You got me spinning baby, spinning in a trance
But your love is better than any other love I've known
It's like thunder, lightning, the way you love me is frightening
You better knock on wood
Yeah

It's no secret but that woman fills my lovin' cup
She sees, so ready, that I get enough
And her love is better than any other love I've known
(It's like thunder) it's like (lightning) yeah
The way you love me is frightening
I better knock on wood, baby

Oh yeah
(Yes you better knock, knock, knock on wood) Yes, I better
(Yes you better knock, knock, knock on wood) Oh, knock on wood
(Yes you better knock, knock, knock on wood) You know I would, would
(Yes you better knock, knock, knock on wood) It's no secret
(Yes you better knock, knock, knock on wood) No, oh, better
(Yes you better knock, knock, knock on wood) Hangin' above me
(Yes you better knock, knock, knock on wood) I can't leave her
(Yes you better knock, knock) Oh no, baby
Knock on wood, ooh
