

Long, Long Time

Melanie

Love will abide take things in stride
Sounds like good advice cos there's no-one by my side
Time washes clean love's wound unseen
That's what someone told me but I don't know what they mean
'Cause I've done everything I know to try and make you mine
An' I think I'm gonna love you for a long long time

Caught in my fears blinking back the tears
I can't say you hurt me cos you never let me near

'Cause I've done everything I know to try and make you mine
And I think it's gonna hurt me for a long long time

Wait for the day you go away
Knowing that you'd warned me of the price I'd have to pay
Love's fond lost who knows the cost
Living in the memory of a love that never was
