

## Lovin' Baby Girl

Melanie

I was a lovin baby girl  
Mommy, daddy had I none  
Be my mommy, daddy  
I will be your lovin one

Before the time I knew your face dear  
I was doing very well  
If I never knew your kisses  
I'd never known that I'd been in hell

If I had some pennies  
I could have a world of fun  
Give me all your pennies  
And I will be your lovin one

Once upon a christmas time  
I lost christmas in my mind  
I looked through all the windows 'round  
To find a star I hadn't found  
Then all at once  
Before I knew  
Christmas froze my soul into  
A cryful night I had a dream  
And saw a place I'd never seen

If I had some pennies  
I could have a world of fun  
Give me all your pennies  
And I will be your lovin one

I was a lovin baby girl  
Mommy, daddy had I none  
Be my mommy, daddy  
I will be your lovin one
