

On The Lam From The Law

Melanie

I'm on the lam from the law, boy
On the lam from the law
I never pick up no certified mail
You never know what it's for
If anybody asks, you tell them I'm not home
I'm gonna take my number of this bugged telephone
You see I never did, never knew, never saw
On the lam from the law
I'm on the lam from the law, boy
I'm on the lam from the law
As if death wasn't enough, boy
They never leave you alone
If anybody asks, you don't know where I am
I don't know how I got myself into this terrible jam
You see, I never did, never knew, never saw
On the lam from the law
No dirty words in my song
I drive with my seat belt on
Got sued and lost - what a scam
See you in court - get in line - what a jam
I'm on the lam from the law, boy
Never did, never knew, never saw
On the lam from the law
I'm on the lam from the law, boy
On the lam, on the lam from the law
I don't know how I got myself into this jam
You never know what it's for
If anybody asks, you put your head in the air
You say I told you I was going, but I didn't say where
Never did, never knew, never saw
On the lam from the law
Never did, never knew, never saw
On the lam from the law
