

# Photograph

Melanie

Do you have a photograph when you were still in high school  
Were you happy in it  
Little reason lots of rhyme  
Were you happy in it at the time

Way back in your memory  
Do you recall the line  
When your heart was in it  
And your reason changed your mind  
Did you love forever at the time

Are you living here and now  
Or in the moments past  
Is now tomorrow's memory and will the memory last  
How much of this will pass

Do you have a photograph when you were only growing  
And your heart was in it  
And your reason changed your mind  
When you loved forever  
But your reason changed your mind

The songs that you once loved to sing  
Are ones that make you cry  
And wouldn't you just give it all to never say goodbye  
We once lived in forever  
But we learned to say goodbye

Do you have a photograph when you were only growing  
And your heart was in it  
Little reason lots of rhyme  
Were you happy in it  
But your reason changed your mind  
Did you love forever  
But your reason changed your mind  
Were you happy in it at the time

Is what you wanted long ago long gone from your mind  
Asks a ghost in dreaming  
Or a friend you left behind  
The songs that you once loved to sing  
Are the ones that make you cry  
And wouldn't you just give it all to never say goodbye  
Oh goodbye... goodbye... goodbye... goodbye...
