

Record Machine

Melanie

Someday I'll be an old record
A picture of what once had been
Someday I'll be an old song
That they heard in a dream or a record machine

Someday I'll be a old fashion
With ideas as dated as yours
Someday they'll laugh at our hair and the clothes that we
wore
Like we've all laughed before

Someday I'll be an old record
A picture of what once had been
Someday I'll be an old song
That they heard in a dream or a record machine
Or a record machine
Or a record machine...
