

## Smile

Melanie

Take no prisoner, leave no trace, make no wave  
Freedom's illusion, home of the rich and the slave  
Cynics and critics, making the news, creating a scene  
Destiny lies in the fools who refuse to give up on a dream

And I love people who smile  
If everybody smiles, we'll have a hometown all over the world  
I love people who smile  
If everybody smiles, we'll have a hometown all over the world

Wear it well and it could appear in your heart  
Indelibly printed on someone a world apart  
Lights in the window all through our darkest day  
Human kindness outdistances being afraid

And I love people who smile  
If everybody smiles, we'll have a hometown all over the world  
I love people who smile  
If everybody smiles, we'll have a hometown all over the world

"I don't trust the American smile. They smile for nothing.  
I think it's to disarm you or something."  
"No, I don't think so. I smile because I want to make some kind  
of a connection.  
I look at someone and I think... we're connected"

I love people who smile  
If everybody smiles, we'll have a hometown all over the world  
I love people who smile  
If everybody smiles, we'll have a hometown all over the world

(you sing) I love people who smile...  
(me) If everybody smiles, we'll have a hometown all over the world  
What a wonderful world.
