Something Warm

Melanie

I'd like to leave you with something warm
Maybe a whisper or a thank you or a love that lingers on
If I could leave with you a little bit of me somehow
I'd leave you with something warm

I'd like to tell you that you're beautiful, in everything you d
o
That you're a part of me, the heart of me, the mirror of the tr
uth
And in return I'd like to give it all right back to you
I'd like to leave you with something warm

Love has always one excuse for every reason
So much love so precious little time my friends
We've all had our moments to believe in
So farewell until I see you all again

I'd like to leave you with something warm
Maybe an angel to fly you away from any harm
Or a little light that shines you all the way back home
I'd like to leave you with something warm

Now there's always one excuse for every reason
So much love so precious little time my friends
We've all had our moments to believe in
So farewell until I see you all again

I'd like to leave you with something warm
Maybe a whisper or a thank you or a love with open arms
Or a little light that shines you all the way back home
I'd like to leave you with something warm

I'd like to leave with something, something warm, something war
m
I'd like to tell you that you're beautiful in everything you do
The part of me, the heart of me, the mirror of the truth
I'd like to tell you that you're beautiful

Something warm, something to take home
Something good and something kind
Warm your heart and ease your mind
Something warm
