

Sweet Misery

Melanie

I love to sing, I love my life
I love you so much I could love your wife
And I've been told I'm a crazy fool
Just as crazy as I look to you
That's as useless as the things that we do
For the sake of sanity, you gotta save the fool

I love the rain, I love the sun
I love my misery and I love my fun
And I've been told I'm a ranting fool
Just as crazy as I look to you
That's as useless as the things that we do
Oh Lord above do you love the fool

I love to laugh, I love to cry
I love living so much I would love to die
And I've been told I'm a ranting fool
Just as crazy as I look to you
That's as useless as the things that we do
Oh Lord above do you love the fool

I love to sing, I love my life
I love you so much I could love your wife
And I've been told I'm a crazy fool
Just as crazy as I look to you
That's as useless as the things that we do
Oh Lord above, you gotta save the fool

I love to sing, I love my life
I love you so much I could love your wife
And I've been told I'm a ranting fool
