

The Saddest Thing

Melanie

And the saddest thing
Under the sun above,
Is to say goodbye
To the ones you love.

All the things that I have known.
Be came my life my very own.
But before you know you say goodbye.
Oh, good time, goodbye
It's time to cry
But I will not weep nor make a scene
Just say "thank you,
life for having been."

And the hardest thing
Under the sun above.
Is to say goodbye to the ones you love.
No I will not weep nor make a scene
I'm gonna say "thank you,
life for having been."

And the loudest cry
Under the sun above
Is to silent goodbye
From the ones you love.
Aaahaaha....
