

# Till They All Get Home

Melanie

Everybody is heading homeward  
Leaving for distance and places unknown  
They're tying up their laces  
And fluffing up their pillows  
And say a prayer till they all get home

Make a commotion, make a little difference  
Shake up the rafters and rock the boat  
We're all in this together, never forget it  
And say a little prayer till they all get home  
Say a prayer till they all get home

Home is where the heart is, home is a castle  
There's reasons for leaving and reasons take time  
But we're in this together, never forget it  
And say a prayer till kingdom come  
Say a prayer till they all get home  
Say a prayer till they all get home

Everybody is heading homeward  
Leaving for distance and places unknown  
Tying up their laces  
Or fluffing up their pillows  
But say a prayer till they all get home  
Say a prayer till they all get home  
Say a prayer till they all get home

Say a little prayer  
Say a little prayer  
Say a little prayer  
Say a little prayer  
Say a little prayer till they all get home  
Say a little prayer  
Say a little prayer till they all get home  
Till they all get home  
Till they all get home
