

# Too Late

Melanie

Too late to go  
Too late, too late to go  
Too late now, baby  
I already let my hair hang down  
Too late too late to go

It's too late to stay  
To late to stay, I say away  
Too late now, baby  
I already let my hair hang down  
Too late, too late to go

You already seen my best  
So you might as well see the rest  
And it's too late, too late to go  
Too late, too late to go

Too late to go  
Too late too, late to go  
Too late now, baby  
I already let my hair hang down  
Too late, too late to go

I knew from the first time we met  
That you wouldn't be staying for my second set  
And it's too late, too late to go  
Too late, too late, too late

Oh you ask me what's the score  
I don't know what the game is  
But I wanna play some more  
And it's too late, too late to go  
Oh and it's to late, too late to go

You already see my best  
So you're gonna have to see the rest  
And it's too late, too late to go

Oh and it's too late, too late to go  
It's too late, too late, too late  
Doo lang, doo lang, doo lang  
Doo lang, doo lang, doo lang to go

Doo lang, doo lang, doo lang to go  
To late, too late, too late to go
