

# Wonderer

Melanie

I prick myself with a pin  
And all at once I think of you  
The way you kill me mostly  
Ooh when you hold me closely  
Is it a spell I am under  
I can't help but wonder

Language fails I lose my head  
Tripped again I fall and stumble  
Planets spin and mountains rumble  
Is it my heart or the drummer  
I can't help but wonder

The way you kill me mostly  
In the middle of the night  
The way you hurt me sweetly  
Little death I'm alive  
Is it the reign of the thunder  
Oh oh oh, Is it a spell I am under  
I can't help but wonder

Language fails I lose my head  
In a word you're my obsession  
Changing everyday perception  
Do I hear a bell like thunder  
I can't help but wonder

The way you kill me mostly  
In the middle of the night  
The way hurt me sweetly  
Little death I'm alive  
Is it the reign of the thunder oh oh oh  
Is it a spell I am under  
I can't help but wonder

The way you kill me mostly  
In the middle of the night  
The way hurt me sweetly  
Is it the reign of the thunder oh oh oh  
Is it a spell I am under  
I can't help but wonder  
(I can't help but wonder)  
Wonder, I can't help but wonder...
