

# You Can Go Fishin'

Melanie

You can go fishin'  
Stay out all night  
You can go fishin'  
Baby it's all right and  
You can go fishin'  
I'm giving you the sign  
And you can go fishin'  
'Cause you're off my mind

You can go ramble  
Far from my door  
And baby you can ramble  
Like you always did before  
Baby you can ramble  
I'm givin' you the sign  
And you can go fishin'  
'Cause you're off my mind

You can go gamble  
All that you own  
And baby you can gamble  
All the little things you own  
And baby you can gamble  
All the things I've never known  
And you can go fishin'  
I'm givin' you the sign  
And you can go fishin'  
'Cause you're off my mind

Oh baby you can cry too  
All day and morn  
Baby you can cry too  
With somebody or alone  
And baby you can cry  
On any shoulder but my own  
And you can go fishin'  
I'm givin' you the sign  
And you can go fishin'  
I'm giving you the line  
And you can go fishin'  
'Cause you're off my mind
