

Change

Melissa Etheridge

D **G**
You woke me up at 3:00 a.m.
D
to tell me about the fire
D **G**
You said that she was more than just a friend
Bm
You were consumed by your desire

A
And so it goes
G F# Em
This too shall pass away
Bm
It cuts so strange
G **A**
The only thing that stays the same
D
is change

Your love was here but now it`s gone
And your eyes no longer want me
And now I cant hold back the dawn
And the truth that seems to haunt me

And so it goes
this too shall pass away
it cuts so strange
the only thing that stays the same
is change

the only thing that stays the same
is change

I`m not so sure where I`ve been
I dont know just where I`m going
hard as I hold it in my hand
I can stop the wind from blowing

and so it goes
this too shall pass away
it cuts so strange
roll me away
it cuts so strange
the only thing that stays the same is change
