

# I've Got Dreams to Remember

Melissa Etheridge

I've got dreams, dreams to remember  
I've got dreams, dreams to remember

Honey, I saw you there last night  
Another man's arms were holding you tight  
Nobody knows what I feel inside  
All I know is I walked away and cried

I've got dreams  
Dreams to remember  
Listen, honey  
(I've got dreams, dreams to remember)  
Yeah

I had known you said he was just a friend  
But I saw him kiss you again and again  
These eyes of mine, they don't fool me  
Why did he hold you so tenderly?

I've got dreams  
(Dreams to remember)  
Dreams to remember  
Listen, honey  
(I've got dreams)  
I've got dreams  
(Dreams to remember)  
Dreams to remember

Oh, no  
I still want you to stay  
I still love you anyway  
I don't want you to ever leave  
Honey, you know  
How satisfy me

I've got dreams  
(Dreams to remember)  
To remember  
Listen, honey  
(I've got dreams)  
I've got dreams  
(Dreams to remember)  
To remember

I know, I know you said he was just a friend  
But I saw you kiss him again and again  
These eyes of mine, they don't fool me  
Why did he hold you so tenderly?

I've got dreams  
(Dreams to remember)  
Dreams to remember  
Listen, honey  
(I've got dreams)  
Don't make me  
(Dreams to remember)  
Don't make me suffer, baby

Don't make me suffer, baby!  
(Dreams, dreams, dreams to remember)  
Ohh!

I've got dreams  
(Dreams, dreams, dreams to remember)  
I've got, I've got, I've got, I've got, I've got, I've got, I've got  
(Dreams, dreams, dreams to remember)  
Dreams  
Don't make me suffer, baby

Don't, don't, don't wanna make me  
(I've got dreams, dreams, dreams to remember)  
Don't wanna  
I've got  
To make me crying  
(I've got dreams, dreams, dreams to remember)  
Ohh  
Don't make me suffer, baby  
(I've got dreams, dreams, dreams to remember)  
I've got more dreams to remember  
I've got  
(I've got dreams, dreams, dreams to remember)  
Dreams  
To remember

Alright, yeah  
That's all

(I've got dreams)
