

# I Want to Come Over

Melissa Etheridge

I know you're home  
You left your light on  
You know I'm here  
The night is thin  
I know you're alone  
I watched the car leave  
Your lover is gone  
Let me in

Open your back door  
I just need to touch you once more

I want to come over  
To hell with the consequence  
You told me you loved me  
That's all I believe  
I want to come over  
It's a need I can't explain  
To see you again  
I want to come over

I know your friend  
You told her about me  
She filled you with fear  
Some kind of sin  
How can you turn  
Denying the fire  
Lover I burn  
Let me in

Open your back door  
I just need to touch you once more

I want to come over  
To hell with the consequence  
You told me you loved me  
That's all I believe  
I want to come over  
It's a need I can't explain  
To see you again  
I want to come over

I know you're confused  
I know that you're shaken  
You think we'll be lost  
Once we begin  
I know you're weak  
I know that you want me  
Lover don't speak  
Let me in

I want to come over  
To hell with the consequence  
You told me you loved me  
That's all I believe  
I want to come over  
It's a need I can't explain

To see you again  
I want to come over
