

The medicine show

Melissa Etheridge

Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O

Didn't I come here to say I'm sorry?
Now it's a party
I met a hottie
I'm on a magical safari
Got reborn, yeah
A unicorn, yeah
I got 'em tied up by the tail and on my horn, yeah
They say I'm savage
So, baby, damage
I've got all that I think you can manage
A little remedy never do you no harm
Come on down to mama's barn

Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O

I got legit, yeah
I took a hit, yeah
In North Dakota
'Cause I'm a rocker and a roller
I got to walk, yeah
But can we talk? Yeah
There's still too many in the pen, you cannot call, yeah
Well, we can change this
Or we can blame this
We are the people and our thoughts can rearrange this
A little remedy never do you no harm
Come on down to mama's farm (Come on, come on, come on)

Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
Let's all go to the medicine show
Hi-ho, hi-ho, E-I-E-I-O
