

# Threesome

Melissa Etheridge

Some people try to keep something alive  
After it's gone, After it dies  
They try all kinds of things  
Like taking off rings  
Swapping up keys  
Seeing who swings

I'm happy to say that you and  
I've got no problem  
Baby, I just wanted you to know

I don't wanna have a threesome  
I don't wanna sleep with nobody else  
I don't wanna be a swinger  
I'd rather keep you all to myself

Now, sometimes at night  
after the kids are in bed  
I'm changing the channels  
And you're surfing the web  
I stumble onto that show  
With all of those ladies  
You know with those things  
Acting all crazy

I don't know how they manage  
To do all that damage  
We barely find enough time to kiss

I don't wanna have a threesome  
I don't wanna sleep with nobody else  
I don't wanna be a swinger  
I'd rather keep you all to myself

I've got enough spice  
In this family life  
I don't need an affair with a friend

I don't wanna have a threesome  
Ever again

So I'll get away  
If you can slip away too  
I'll meet you at three  
Alright, I'll meet you at two  
We know just where to go  
We know just what to do  
It's perfect that way  
Just me and you

I don't wanna have a threesome  
I don't wanna sleep with nobody else  
I don't wanna be a swinger  
I'd rather keep you all to myself

I've got enough spice  
in this family life

I don't need an affair with a friend

I don't wanna have a threesome

I don't wanna have a threesome

I don't wanna have a threesome

Ever again
