

You Have No Idea

Melissa Etheridge

Once upon a time, there was a secret in a box
It was frozen up tight, it was chained and it was locked
A hundred thousand lovers could never break the seal
One night in your arms, honey, you have no idea

You have no idea
How good your loving feels
So right, so real because
You have no idea

Honey, you make me shiver, baby you make me shake
I wanna take it and drink it, the kinda loving you make
Anybody out there who is doubting this deal
Please step aside, because you have no idea

You have no idea
How good your loving feels
So right, so real because
You have no idea

Love is a dream we're sliding into
Awake and alive on this sweet avenue
You'd never ask me if my love was true
If you knew, if you knew, if you knew, if you knew
No, no, no, no, no, no

I have never known this kind of thrill
Never imagined your kind of skill
Your body and soul, the joy that it brings
You have no idea how you make me wanna sing

Sha la la, sha la la, oh-oh
Sha la la, sha la la, oh-oh-oh-oh-oh
Sha la la, oh-oh
Oh-oh, oh-oh, baby
You have no idea
Sha la
Oh, oh, oh
