

## Asking For Love

Melissa Ferrick

well she has got, a pretty face  
and everybody in here  
wants to know her name  
so, she sits down  
the bartender buys her round  
says "whatcha doin' in this town?"  
"whatcha doin' in this town?"  
hey there's a woman in the bar  
who's got the power now yeah!  
numbers are flying  
spinning around  
all the boys are trying  
her fingers are grippin'  
and the bar is slippin'  
but one by one  
the boys comes asking for love  
hey wait a minute  
what makes you think  
you're what i'm here for  
i came here to drink  
oh c'mon i've heard those words before  
but i ain't your small town  
you're small town whore  
hey there's a woman in the bar  
who's got the power now yeah!  
numbers are flying  
spinning around  
all the boys are trying  
her fingers are grippin'  
and the bar is slippin'  
but one by one  
the boys comes asking for love  
hey there's a woman in the bar  
who's got the power now yeah!  
numbers are flying  
spinning around  
all the boys are trying  
her fingers are grippin'  
and the bar is slippin'  
but one by one  
the boys comes asking for love
