

## Freedom

Melissa Ferrick

Sadness finds its way onto me  
Yeah on any given day  
And I just end up feeling guilty  
And I don't know how many times I've told you  
I do not know how I ended up this way  
It's as if sometimes I have just halted  
Yeah I stop dead in my tracks  
Life it just seems to cover me  
And it's in these moments that I feel trapped

So I claim freedom  
Yeah I claim my freedom

So what is it exactly that you want from me  
Oh yeah you want me to stay  
Even though I am terrified  
To let myself  
End up this way  
Yeah I'm afraid of feeling  
Of feeling nothing at all  
And I'm afraid of settling down  
Into a love  
Just ain't love at all

So I claim my freedom  
Yeah I claim I claim freedom

So take this brain out and hang it on the line  
Take this chair out back and burn it  
'Cause I can't get any work done from in here  
You know this hole I dug myself in  
Has got me buried up to helpless

And I'd like to call you a liar  
Yeah but that's what you  
Isn't that what you always called me  
Yeah I'd like to call you a liar liar  
yeah but that's what you  
That's what you always called me

So I claim freedom  
Yeah claim I claim freedom  
Freedom freedom
