

# Fire In The Morning

Melissa Manchester

I know it's late to call,  
I don't blame you if you're angry  
But these are things that only  
Old lovers understand  
I remember rainy nights like this when  
We'd go to bed real early  
(And) try to catch each other's dreams  
And wake up holding hands

We'd light a fire in the morning and  
Keep it burning strong  
Outside it could be storming, but we  
Never felt so warm  
We'd curl up on the couch and trade the  
World for our love song  
We'd light a fire in the morning and  
Make love all day long

I hope you know it's not that I've  
Got no one else to go to  
'Cause I keep thinking of you even  
When I'm not alone  
Now I'd love to hear you say I'm still  
The one you can't say "no" to  
And that's you'll take me back tonight  
And for all the love we've known

We'd light a fire in the morning and  
Keep it burning strong  
Outside it could be storming, but we  
Never felt so warm  
We'd curl up on the couch and trade the  
World for our love song  
We'd light a fire in the morning and  
Make love all day long
