

Looking For The Perfect Ahh

Melissa Manchester

Some people, they just look for a sure shot
Roll the dice and then wish for something
Someone else has got
If you win, when do you begin to have fun
Seems to me everyone's
Everybody's looking for the perfect ahh, ahh...
Looking for the perfect ahh, ahh...

At the studio, well, they bring their own caviar
Back on the street and you're still looking for who you are
What's the prize, maybe paradise in the sun, ooh, yeah
Seems to me everyone's
Everybody's looking for the perfect ahh, ahh...
Looking for the perfect ahh, ahh...

Ooh, so you thought that life, could be a perfect tan
Ooh, well, you'll have to think again, over and over
You've been fooled once again, over and over
Seems to me everyone's
Everybody's looking for the perfect ahh, ahh...
Looking for the perfect ahh, ahh...

Looking for the perfect ahh, ahh...
Looking for the perfect ahh, ahh...
Looking for the perfect ahh, yeah
Looking for the perfect ahh, ahh...
Looking for the perfect ahh
