

# The Warmth of the Sun

Melissa Manchester

What good is the dawn  
That grows into day  
The sunset at night  
Or living this way

For I have the warmth of the sun  
Within me at night

The love of my life  
He left me one day  
I cried when he said  
"I don't feel the same way"

Still I have the warmth of the sun  
Within me tonight

~~~♪♪♪~~~

I'll dream of his arms  
And though they're not real  
Just like he is still there  
The way that I feel

My love  
My love's like the warmth of the sun  
It will never die, ooh

My love's like the warmth of the sun  
Within me tonight  
So warm

My love's like the warmth of the sun  
It will never die  
Tonight my love  
Tonight my love  
My love's like the warmth of the sun  
Within me tonight  
Warmth of the sun  
In me at night
