

A Girl Can Dream

Melissa McClelland

I've been trying to keep my mouth shut baby
I've been trying to change my dark ways maybe
I've been dreaming of a time
When I always do you fine
A girl can dream

I've been working on my cold heart honey
I've been working for my own green money
I've been working for a smile
I've been missing for a while
A girl can dream

Oh I have sinned
I've been around
I have cried
The prettiest sounds
When your heart breaks
My heart aches
I will pay for my mistakes
No more will I make
A girl can dream

I've been doing lots of window shoppin'
No more spoiling myself rotten
I've been cleaning up my act
No more fiction
It's a fact
A girl can dream

Oh I have sinned
I've been around
I have cried
The prettiest sounds
When your heart breaks
My heart aches
I will pay for my mistakes
No more will I make
A girl can dream
