

Try - Melissa Polinar

There's something about you
The way you move, the way you look at me
There's something about the way you see things
It's like a change of scenery

Everything about you I just want more of
But don't get any closer If this will last a little
longer
There's a chance I'll find myself saying

There's nothing, nothing I can do To keep my heart away
from you
I can't help it, I can't tell you how much I try

To get you off my mind To help me move on and just live
my life
I can't help it, I can't tell you how much I try

Cause whenever you're near, it's love that I fear
I've been saved in this shell And I can't tell if I'm
living at all
I've been doing well on my own But maybe it's just me
who I'm deceiving
Cause everything about me leads right to you
Oh, I want to get closer But let me doubt a little
longer
'Till I'll turn it over and give in

Cause there's nothing, nothing I can do To keep my
heart away from you
I can't help it, I can't tell you how much I try

To get you off my mind To help me move on and just live
my life
I can't help it, I can't tell you how much I try

Cause whenever you're near It's love that I fear
Of falling so helplessly Fear of losing, losing control

There's nothing, nothing I can do To keep my heart away
from you
I can't help it, I can't tell you how much I try

To get you off my mind To help me move on and just live
my life
I can't help it, I can't tell you how much I try
Cause whenever you're near it's love that I fear
