

# Over U

Melissa Steel

Lately  
You've been living on my mind it's crazy  
That no matter how I try I can't let it go  
I'm telling you I can't let it go  
Wait for the day  
You're here to stay  
Telling you I can't get enough  
I'm telling you I can't get enough

I'm lost in us  
There's nowhere else that I thought I would be  
We're out of touch  
And I don't know what to do about  
Don't know what to do about us

(Mmm)  
I just can't get over  
(Mmm)  
I just can't get over you  
And the way you move it makes me know it's you  
And I know that  
I just can't get over you

(Mmm)  
I just can't get over  
(Mmm)  
I just can't get over you  
And the way you move it makes me know it's you  
And I know that  
I just can't get over you

Every time I block you out my mind  
I close my eyes but keep on seeing signs  
'Cause I know that this ain't really how it's supposed to be  
You won't leave me 'cos you're locked up in my memory  
Late at night all I dream of is your face  
It's been so long but it feels like yesterday  
When you said there's no-one else  
Now I'm lonely baby, oh

I'm lost in us  
There's nowhere else that I thought I would be  
We're out of touch  
And I don't know what to do about  
Don't know what to do about us

(Mmm)  
I just can't get over  
(Mmm)  
I just can't get over you  
And the way you move it makes me know it's you  
And I know that  
I just can't get over you

(Mmm)  
I just can't get over  
(Mmm)

I just can't get over you  
And the way you move it makes me know it's you  
And I know that  
I just can't get over you
