

# Joanna

Melisses

There are no alibis  
No destination  
No sympathy in love (oh-oh-oh-oh yeee)

There ain't no place to hide  
When she's around  
She's brighter than the sun (oh-oh-oh-oh)

Chasing shadows on the highway  
You'll never know what I'm to say

Joanna my Joanna  
Will you ever leave it all behind?  
Joanna my Joanna  
Is this just a game inside my mind?  
Joanna my Joanna  
Baby, why don't you leave it all behind?  
Joanna my Joanna  
Is this just a game inside my mind?

The light dims through the window  
Lonely nights  
With moonlight in your hands (oh-oh-oh-oh yeee)

There ain't no tears to cry  
No memories  
No dreams before I lie (oh-oh-oh-oh)

Chasing shadows on the highway  
You'll never know what I'm to say

Joanna my Joanna  
Will you ever leave it all behind?  
Joanna my Joanna  
Is this just a game inside my mind?  
Joanna my Joanna  
Will you ever leave it all behind?  
Joanna my Joanna  
Is this just a game inside my mi-i-i-i-ind?

Chasing shadows on the highway  
You'll never know what I'm to say

Joanna my Joanna  
Will you ever leave it all behind?  
Joanna my Joanna  
Is this just a game inside my mind?  
Joanna my Joanna  
Will you ever leave it all behind?  
Joanna my Joanna  
Is this just a game inside my mind?
