

It'll Never Be The Same

Mellow Fellow

Lost myself some time ago, it'll never be the same
Lost my lover 7 years ago, it'll never be the same

I'll repair my broken wings, so I could see me fly
I wish you were here again, so you could watch me try
La la, ooh, ooh
La, ooh, ooh

I remember the 24ths, when we used to go to The Fort
Passing smiles and kisses as we walk the door
But not anymore

I'll repair my broken wings, so you could watch me fly
I wish you were here again, so you could watch me try
La, la, ooh, ooh
Yeah, ooh, ooh
